PROFFESIONAL SUMMARY

Computer Science student at Siliwangi University with hands-on experience in frontend and full-stack web development. Experienced in building web applications, implementing business logic, authentication and authorization, reusable components, and containerized applications. Proficient in TypeScript, JavaScript, Next.js, React, Python, Docker, Linux, and Git, with an interest in building maintainable and scalable software.

TECHNICAL SKILLS

Languages & Frameworks: TypeScript, JavaScript, Python, React, Next.js
Web Development: HTML, CSS, REST API, Full-Stack Development, Responsive Design
Backend & Database: Authentication, Authorization, RBAC, Data Validation, PostgreSQL
Tools & Infrastructure: Git, GitHub, Docker, Linux / Ubuntu
Other: Internationalization (i18n), Microsoft Office.

EXPERIENCE

App Security & Frontend Developer Intern Freelance
PT Exempli Gratia Indonesia, Kota Tasikmalaya
- Developed and maintained frontend features for web applications using JavaScript and TypeScript.
- Implemented user interfaces and application flows based on product requirements and backend APIs.
- Contributed to authentication, authorization, access control, and input validation features.
- Worked with Docker-based application environments and deployment workflows.
- Collaborated across frontend and backend development to implement features and resolve application issues.

Full-Stack Developer Freelance **April 2025—May 2025, Kota Tasikmalaya**
Opak Sampeu Sutra, Kota Tasikmalaya
- Developed features for product, order, and transaction management.
- Implemented business logic and data validation for application workflows.
- Translated UI/UX designs into responsive and interactive web interfaces.
- Integrated frontend and backend functionality for end-to-end application workflows.

Frontend Developer Freelance **Januari 2025**
UNDAGI, Kota Tasikmalaya
- Developed reusable frontend components to improve consistency and maintainability.
- Implemented internationalization (i18n) to support two languages.
- Built responsive interfaces based on UI/UX designs.

ORGANIZATIONS

SICODEV (Siliwangi Code Developer) **2024—2025**
Committee Member
- Contribute to software and web development activities, technical discussions, and community learning sessions.

SINERGI (Siliwangi Informatics Network Engineering Community) **2024—2025**
Member
- Participate in workshops and technical activities related to networking and software development.

EDUCATION

Bachelor of Informatics, Siliwangi University **2023—Present**
IPK 3.73/4.00

CERTIFICATIONS

- MTCNA (MikroTik Certified Network Associate), Credential ID: 2505NA5197
- Junior Web Programmer (LSP Universitas Siliwangi, BNSP)
